11. Accessibility & ADA Compliance

Keyboard Navigation

Focus Management

Tab Sequence

All interactive elements are keyboard accessible with visible focus indicators

Logical tab order through navigation, forms, and content areas

Contrast Standards

WCAG 2.1 AA Compliance

All text and interactive elements meet minimum contrast ratios of 4.5:1

Color Independence

Information is not conveyed through color alone

Screen Reader Support

Copy

```
/* Recommended ARIA attributes */
aria-expanded="false"    /* For dropdowns */
aria-haspopup="true"     /* For menu triggers */
aria-label="..."         /* For icon buttons */
role="button"            /* For clickable elements */
