Baseline Period: January 1, 2021 - December 31, 2021
Evaluation Period: January 1, 2023 - December 31, 2023

Compliant with GreenCircle Certified Sustainability Facts Certification Standard Audit Plan 10.2024

*Attributes in green contribute to LEED v4, v4.1, and/or v5 credits.

All reductions benchmarked to hours worked.

1. See GreenCircle certificate #26-0131 for more information.
2. This meets the requirements of LEED v4 and v4.1: MR Credit: Building Product Disclosure and Optimization - Environmental Product Declarations. This also meets the requirements of LEED v5 MR Credit: Building Product Selection and Procurement.
3. This is global warming potential for cradle-to-gate life cycle stage (A1-A3) using TRACI methodology.
4. Scope 1 and 2 emissions only.
5. Corporate Supplier Code of Conduct encourages minimal environmental impacts.
6. Verified community stewardship through a backpack drive and holiday toy drive for children in need, and soup kitchen volunteering.
7. Verified commitment to policies and programs supporting social health and equity.
8. Verified the availability of employee benefits, which include medical benefits and training and development programs, to all employees.
9. Corporate audit policies of supply chain practices conform to Design for Freedom principles.
